### **Bartlett Library to Extend Item Quarantine Time**

Starting on August 31, 2020, the Bartlett Public Library District will be extending the time it quarantines items from three days to seven days. This includes the library's own materials as well as any items coming in from other libraries.

Items will remain on a patron's account during the seven day period. Once the quarantine is complete, staff will check in items. No fines will be added.

This change comes due to an updated recommendation from Battelle's REALM Project's research.
