

# 2025-2028 Strategic Plan

## COMMUNITY ENGAGEMENT

Strengthen community connections by expanding outreach, increasing awareness of library offerings, and engaging people both within and beyond the library to ensure equitable access to resources and services.

## BUILDING & SPACE

Modernize library spaces to create an accessible, welcoming environment that supports learning, collaboration, and innovation while meeting the community's evolving needs.

## USABILITY & BELONGING

Ensure the library is accessible and inclusive by providing equitable access to resources, services, and programs by removing barriers related to ability, language, technology, and socioeconomic status so that every community member can fully engage and thrive.
